2019 NPAAA PRESIDENT'S MESSAGE

Dear Membership: MEMBERSHIP STANDS AT 503. HELP THE NPAAA REACH THE MILESTONE 600!!

As you know, the NPAAA depends on memberships and donations to support its mission.

The fact is North Penn High School is one of the largest high schools in Pennsylvania and graduates around 1,000 students each year. The NPAAA which was founded in 2000 and currently has 503 paid members. Given the size of the school and the unbelievable success of the athletic program, we should have at least 1,000 members by this time. I have determined that one of the issues is awareness. A great percentage of our graduates do not even know we exist. This is the result of factors beyond our control, such as demographic issues. After graduation our alumni move away for any number of reasons and lose contact with NPHS and their classmates and teammates.

The one possible solution is for our existing membership, of which we are very proud, to get involved and reach out to classmates and teammates, tell them about the NPAAA, and ask them to become lifetime members. The lifetime membership is a one time \$50 fee.

The fact is we need to increase our Lifetime Membership each year by around 50 to generate enough revenue to support the mission. The annual budget for the scholarships, Hall of Fame, and operating costs is roughly \$6,500.00.

In the 19 years since our founding in 2000, including 2019, the NPAAA has provided 157 scholarships for a total of \$81,003, inducted 180 individual athletes, 38 championship teams, 9 Lifetime Achievement Inductees, 16 Special Recognition Teams and 1 Special Recognition Individual.

The NPAAA was founded with the mission of helping our student athletes by providing scholarships to help them with their future; the Hall of Fame was established to honor and document the history of our outstanding athletic accomplishments of the past. By establishing this tradition, which has been built by student athletes, coaches, teachers, parents, etc., we have created not only a source of pride but a standard of excellence for current students to emulate.

Please consider helping the NPAAA continue this important mission with financial support, membership recruitment, and if possible personal involvement in the work of the organization.

TOM STRICKLAND, PRESIDENT, NPAAA
