Andy Kusma Memorial Award

Andy's sports career started when he was a shy, young boy in New Jersey playing little league baseball. After relocating to Pennsylvania as a fourth grader, Andy discovered sports as a positive way of interacting with others. Sports would continue to shape his life and the person he became. Andy found positive influences from coaches throughout his sports career and looked to them for guidance.

This scholarship was created by Andy's friends and family with the help of the NPAAA, to help keep his memory and dedication to sports alive, after losing his battle with pancreatic cancer on December 25, 2007. Andy understood the importance of a college education, and the struggle many families have with the growing cost of tuition. It was his dream, to be able to reward the athletes of North Penn Athletics, by allowing them the opportunity to continue their athletic careers while receiving a college education.

In 2008, the North Penn Athletic Alumni Association presented 3 male athletes with the first scholarship in the name of Andy Kusma. The Andy Kusma Scholarship Fund has continued to grow since then, through in-kind donations and proceeds from the Andy Kusma Memorial Golf Tournament, now in its second year.

October 9, 2010

Welcome to everyone attending this evening's Sixth Annual NPAAA Hall of Fame Induction Ceremony. This year's event is going to be remembered for the 8 individuals and 4 teams being inducted. They all serve as a history of North Penn High School athletics including its Legacy Schools.

Once again, it is a special honor and privilege to hold the position of President of the North Penn Alumni Athletic Association and to be part of an organization that is building on its original mission of providing scholarships to student athletes and successfully establishing North Penn High School's Sports Hall of Fame. By establishing a Sports Hall of Fame we are recognizing the outstanding individual athletes, coaches and teams that brought honor to themselves and our school. In addition, we are providing future generations a documented record of our sports history. This history will not only provide a source of pride but also a standard to emulate. This history originated with our "Legacy Schools"; Hatfield High School, Lansdale High School, and North Wales High School dating back to 1887 and which were consolidated in 1955 to become North Penn High School.

Since the NPAAA was established in 2000, we have successfully awarded 23 scholarships to outstanding senior class male and female student athletes. Also, in conjunction with the James K. Gulick Award sponsors, the NPAAA has provided 10 scholarships to Track & Field athletes who epitomize the qualities of sportsmanship, fair play, and competitiveness espoused by North Penn High School Coach James K. Gulick, Sr. Finally, we award three scholarships in the name of Andy Kusma, one of the 2009 inductees. Please visit the KnightSite (www.npaaa.org) to view a listing of the individual scholarship winners. In addition, the NPAAA has reached a milestone of over 300+ members and growing every day.

Tonight we are honoring individual athletes and teams that represent several of these schools spanning many decades. These 8 individuals, the 1990 PIAA State Championship Boy's & Girls' Swim Teams and the 1991 & 1992 Boy's PIAAA State Championship Swim Teams, have demonstrated excellence through sacrifice, dedication, courage, hard work, and commitment. These values were instilled by coaches who dedicated their lives and careers to teaching athletes the cardinal virtues of ancient Greek philosophy:

justice, prudence, temperance, and fortitude. These lessons of virtue develop individual character that shape and influence the rest of our lives.

At the conclusion of the induction ceremony, you are invited to a reception and refreshments to congratulate the inductees, reunite with classmates, teammates and meet new friends. By bringing together athletes, teams, and coaches spanning many decades we hope to provide a forum and an opportunity to create an atmosphere for collegiality and reunion. Please make sure you visit the Wall of Honor and Hall of Fame where we have successfully enshrined 108 individual athletes, coaches and 13 teams.

Finally, as President of the NPAAA I can only express sincere gratitude for the opportunity to work with the individuals who make up the NPAAA Board of Directors. These individuals enthusiastically contribute their talents, time, resources, and dedication to the mission of the NPAAA.

This evening's historic event is a result of a classic team effort. The virtues I mentioned before regarding the inductees, most certainly apply to the NPAAA Board of Directors, key members, member donors, NPAAA Corporate Partners and our NPAAA Hall of Fame Event Corporate Sponsors. They all deserve our appreciation for their efforts.

A very special thank you to Dr. Curtis Dietrich, Superintendent of North Penn School District, and his executive team who have endorsed this initiative from its inception and have provided the food, venue, programs and overall support for all the NPAAA Hall of Fame Events year to date.

Sincerely,

On behalf of the North Penn School District and Board of Education, I want to offer my congratulations to you, the inductees, as you enter the North Penn Alumni Athletic Association Hall of Fame. Your induction signifies our opportunity to recognize those athletes, teams and coaches who contributed to building the foundation of today's athletic programs at North Penn. We are proud and honored to recognize the past contributions of an exceptionally talented group of athletes and coaches.

As you may know, North Penn has been recognized by Sports Illustrated, not once but twice, as the #1 Athletic Program in the state of Pennsylvania and in the top 40 nationwide with over 45 state titles. This type of success is a result of years of outstanding athletics in the district and the community.

Tonight it is our pleasure to bestow this special recognition upon you, for not only participating in the North Penn Athletic Program but also for the outstanding personal contributions and achievements you have earned. Your honor is richly deserved and will always be remembered through the efforts of the North Penn Alumni Athletic Association.

Your inclusion on our "Wall of Fame" will serve now and into the future as an important and authentic role model for today's and tomorrow's student athletes, making you, forever, a cherished member of our North Penn Family.

Once again, congratulations and thank you for your contributions to the # 1 athletic program in the state of Pennsylvania.

A History of the North Penn School System

Dick Shearer

The roots of public education in the North Penn area predate the Civil War when simple one-room schoolhouses dotted the countryside. They offered schooling at the most basic level because all the primary grades were taught by a single teacher in that one-room environment. Students who wanted “higher” education had to travel to a town where advanced courses were available. As villages grew into larger boroughs in the 1880s, 12-year diploma programs were offered in these schools, and senior classes evolved – some with as few as a single student.

Lansdale School District was formed in 1871, a year before the community became an incorporated borough. In 1872, its first public school was built on East Main Street, where Citizens Bank now stands. The first graduating class in 1888 consisted of four students. The original school on Main Street was replaced by the larger Broad Street and Green Street schools in 1888 and 1899, respectively, but it was not until 1914 that the first Lansdale High School was built on the site of the present McDonald’s restaurant.

An influx of new industries and affordable residential housing quickly pushed the high school building past capacity, and in 1930, the school board agreed to build a new high school on Penn Street, where there would be plenty of room for future expansion. Because of this foresight, the second Lansdale High School stood the test of time much better than its predecessor. Over a period of 40 years, the campus grew to serve a total of seven towns and townships in the region.

When regional consolidation took place in 1955, the Penn Street school underwent a massive expansion project that more than doubled the size of the original school. In June 1955, the final Lansdale High School diplomas were awarded, and three months later North Penn High School was born.

Like Lansdale, Hatfield’s education system evolved from one-room schools into a larger school that began offering advanced grades during the 1890s. Hatfield Consolidated School District was formed in 1921 when residents of the borough and township agreed to erect a modern high school on the borough-township line in 1921. The new facility contained 19 rooms and was built on a 10 1/2-acre tract at Fairgrounds and Cowpath Roads. When the building opened in September, 1922, it was the first six-year high school in this part of the state. A total of 492 students were brought together under the same roof, taught by a 15-member faculty. Hatfield High featured the largest auditorium and gymnasium between Philadelphia and the Lehigh Valley. Now the home of the Biblical Theological Seminary, Hatfield High School’s last graduates received their diplomas in 1955. The high school closed its doors on June 10, 1955, and in September, 1955, Hatfield’s underclassmen began attending the North Penn Joint High School in Lansdale.

Public education in North Wales also began with a one-room school located on Main Street that was built before the town was incorporated in 1869. The bustling young town soon outgrew its first schoolhouse and a new one was erected at Third and School Streets. By the 1890s that structure also proved inadequate and a three-story addition was built to house all 12 grades. North Wales held its first commencement in 1887 – with one student receiving a diploma. The School Street building was replaced in 1928 by what is now North Wales Elementary School on Summit Street. Like Lansdale and Hatfield, North Wales became a part of the North Penn Jointure in 1955, ending the era of independent school districts – and high schools – in each town.

To come full circle, the post-World War II construction boom impacted the once rural townships of Hatfield, Montgomery, Upper Gwynedd and Towamencin much like the rapid growth the boroughs experienced a half-century earlier. The venerable Lansdale/North Penn High School was no longer able to contain the influx of new students. In 1971 a new, massive high school campus was built in Towamencin, and Penn Street was converted into what is now Penndale Middle School.

A History of the North Penn Alumni Athletic Association Hall of Fame

The NPAAA was founded in the year 2000 with a mission to uphold the standards and prestige of the North Penn High School athletic program and to encourage and promote higher education through scholarship awards to those student athletes who demonstrate courage and sacrifice during their athletic careers.

The NPAAA expanded its mission in 2004 when a decision was made by the Board of Directors to establish a Sports Hall of Fame to recognize those alumni from North Penn High School and its legacy schools who best exemplified those high standards while participating in athletics in high school.

After the NPAAA voted to initiate an athletic Hall of Fame, the Board of Directors proceeded with defining its vision. First, the NPAAA had to establish a criteria and guidelines to provide a systematic methodology for selecting inductees. Once that was established, the NPAAA established three committees: one to research, prioritize and select the inductees; a second to determine appropriate inductee awards and method of recognition; and a third to initiate a fundraising campaign to provide the monies necessary to support the NPAAA's dual mission of scholarship awards and athletic recognition.

The mission of the NPAAA is sustained by a desire to provide future generations with a historical record of the outstanding student athletes and teams representing North Penn High School and its legacy schools (Hatfield High School, Lansdale High School, and North Wales High School). This history, which provides both a source of pride and a standard to emulate, dates back to 1887.

On October 8, 2005, the NPAAA hosted its Inaugural Hall of Fame Induction Ceremony at North Penn High School. Fifty-two athletes (spanning eight decades) and one team were inducted. The ceremony was attended by several hundred people and included the enthusiastic endorsement and participation of North Penn School District Officials. A program was provided that included the history of the schools, a history of the team inducted, and profiles of the inducted athletes. An announcement was made at this event about plans to establish a permanent Hall of Fame in North Penn High School. This initiative was presented to North Penn High School District Officials and was enthusiastically approved.

A fundraising campaign was initiated immediately following the Inaugural Hall of Fame Induction Event and by mid-August 2006, the NPAAA raised sufficient funding to proceed with the creation of the Hall of Fame. A vendor was selected to provide the raised metal plaques that would be installed in North Penn High School, and plans were finalized for the Second Annual NPAAA Hall of Fame Event.

The Hall of Fame was dedicated and unveiled at the Second Annual NPAAA Hall of Fame Event on October 14, 2006. The NPAAA continues to raise funds to support the annual cost of adding the new inductees plaques to the wall.

PAUL ALAMAN

Athlete, North Penn High School, 1970

Football, Basketball, Baseball, Track

Football: 3 Varsity Letters

1968 Bux-Mont League Co-Championship Team

Co-Captain 1969 Football Team

I. Newton Cowan Award for Most Valuable Player

1969 Russell Bright Defensive Award

Scholar Athlete: The Triangle Club and The Evening Bulletin

Philadelphia Inquirer All-Area 1st Team Defensive Tackle

All Bux-Mont League 1st Team Defensive Tackle

All Bux-Mont League 2nd Team Offensive Tackle

Nominated for PA Big 33 All-Star Game

Defensive Tackle MS Philadelphia vs Suburban All-Star Classic

Defensive Tackle Montgomery County All-Star Game

Graduated University Kentucky with Honors, 1974, BS Education

Paul reveled in the whole North Penn experience, thriving both athletically and academically. A persistent foot injury limited his athletic success to his first love - football. He was proud to be a member of the Knight's unit, and still remembers his on field promotion and the coveted red practice jersey of the 1st team defense. In his senior year he was co-captain of the football team and 1st Team All Bux-Mont Defensive end, 2nd Team All Bux-Mont Offensive Tackle and nominated to play in the PA Big 33 All Star game. Paul's trademarks were his hustle, effort, and discipline. Whether it was excelling in football, or riding the JV bench in basketball and baseball, he strove to be a good teammate, a good friend, and a good student.

In the fall of 1970 Paul transitioned to the University of Kentucky where he had received a football scholarship. He was well prepared by the teachers and coaches of North Penn for the challenges ahead. After a very successful freshman season, Paul suffered a career ending neck injury his sophomore year. He never fulfilled his goal of starting in the SEC, but remained a valuable part of the program, and graduated on time with honors.

The post college years can best be described in one word, change. Paul has lived in many locales, mostly in the western states, always seeming to gravitate back to Montana. His vocations were varied as well; from factory worker, towboat deckhand, railroad trainmaster, to teacher and coach. In 1983 Paul was given the opportunity to start his own business as a State Farm Insurance Agent in Lansdale. It was here that he finally hit his stride, building a successful agency. Unfortunately in 1994 Paul suffered a stroke, and a year later had to make the difficult decision to retire.

The only true constant in Paul's life has been his wife of 30 plus years, Joni. She has been his partner, confidant, and strength through many ups and downs. It is a good bet the future will find them somewhere out in Big Sky Country doing their best to live life as it unfolds.

Ron was named Pennsylvania Track and Field Coaches Association Coach of the Year for 2007. After setting the bar high the 2008 Cross Country team matched the 2007 team finishing undefeated in the league, winning the Suburban One League Championship, the District One Championship and defending their State title winning the PIAA State Cross Country Championship. This is only the fifth School District in PIAA history (1939 - 2008) to win back to back State Cross Country Championships. Once again Ron was named Pennsylvania Track and Field Coaches Association Coach of the Year for 2008. In the 17 years Ron coached Cross Country his dual meet record was 170 - 31 (undefeated last 21 in a row), with 28 invitational wins, 5 All-State runners, 96 All-League runners, 4 Suburban One League Championships, 3 District One Championships and 2 PIAA State Championships.

The Girls' bowling team match record was 121-63-6, with 83 shutouts and 5 League Championships. The 1990 Girls' team went 10-0 with 6 shutouts while bowling with 4 girls against 5 every week. NP is the only School in League history to take all four titles, Boys Team & Boys Individual and Girls Team & Girls Individual in the same year, not once but twice 1993 & 1994.

From 1999 to 2008 Ron was Head Indoor Girls Track Coach. During this time the girls broke or set every Indoor school track record. He had one Indoor State Champion in the Shot Put and top eight finishers in the 4X200, 4X400, 4X800, Mile, High Jump, Pole Vault, and Triple Jump.

There have been many wonderful memories etched in my mind from my experiences with the North Penn Swimming program. I have had the good fortune to be involved in all facets of the program, first as a student athlete, then as an educator and parent. As an incoming freshman I had the honor of being part of the first high school swimming team at North Penn High School. I can remember the first day I met Rick Carroll who was nice enough to take time to show off the new natatorium, which later would be named after him, to my father and me. I marveled over the beautiful marble counters in the girls' locker room, which I later found out were plastic, and the state of the art timing system. From that point I was committed to the program and all it had to offer. At that time, little did I know the impact the program would have on me well into my middle-age years.

Starting in 1971, I participated on the high school swimming team as well as the North Penn Aquatic Club until 1975. Under the tutelage of Coach Pat Henry, I was a Bux-Mont League champion in several events, a PIAA District One top six place finisher in a few events and a PIAA state qualifier. A few of the relays I was a member of received All-American recognition. I was most honored to be named team captain my sophomore, junior and senior years. Although I was a fairly successful swimmer, I believe my claim to fame was chanting team cheers so loudly that they could be heard within a one mile radius of the pool.

Swimming for Lock Haven State College allowed me to do some travelling during my college career. I had the good fortune of qualifying for AIAW nationals (before NCAA Division III hosted nationals) all four years in a variety of events. Again, my greatest swimming accomplishment in college was being named team captain my sophomore, junior and senior years.

Graduation from college brought me back to Lansdale with a teaching degree in Health and Physical Education and a strong desire to coach swimming at the high school level. After getting my feet wet as a teacher and head swimming coach at Methacton High School, I was offered a teaching position as well as the position of Head Girls' Swimming Coach at North Penn High School in the fall of 1980. The professional goal that I had set for myself in college had been met. I was so thrilled to be a coach in a program that was highly regarded across the state of Pennsylvania.

Under the guidance of Rick Carroll and later the working relationship I had with Bill Berardelli allowed me to learn and grow as a coach. The ten years of coaching North Penn Swimming and Diving led to many exciting team accomplishments. The team amassed an overall dual meet record of 104 - 5 and a league dual meet record of 68-0. Six of the ten seasons finished with undefeated records with all ten seasons resulting in a league championship title. Five of the teams finished as District One Champions and three other teams finished as District One Championship runner-up.

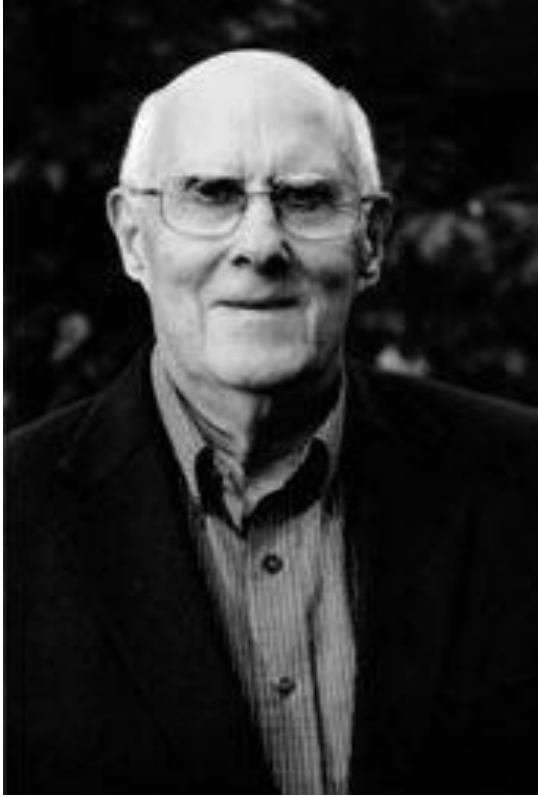

The crowning moment of my association with the North Penn Swimming program was when the 1990 Girls' team won the PIAA State Championship and was recognized as the National Public High School Swimming Champions by *Swimming World Magazine*. I will forever be indebted to all the girls on that team. They were a group of athletes dedicated to the sport of swimming and were committed to the goals set forth by the team. The athletes on the 1990 team were and still are a great group of women. Many are successful professionals, loving mothers, dedicated volunteers and women that live their life with great character. My hope is that the experiences from that special swim season have, in a small way, made them who they are today. I know for me, it certainly has had an impact on who I am today.

The following swim season brought a second child to the Robinson family which no longer allowed me to give the time and energy to a team that I loved. My resignation as coach was one of the hardest decisions of my life. Although I always had responsibilities throughout my adult life, the one that I take most seriously is being a mother to my two children. Bradley is twenty-five years old and working full time. Molly is a college student and is a living testament to the amount of time that has passed from that glorious season. I was almost eight months pregnant as we were making a run for the state title in early March of 1990. It feels like that season was yesterday, until I look at my twenty year old daughter.

Retirement from coaching has given me time to do many things over the past twenty years above and beyond parenting my children. Community service and volunteerism have been at the forefront of my life, most recently serving as a councilwoman for the Lansdale Borough. Professionally, I am entering my thirty second year of teaching at North Penn High School while serving as Department Chair of the Health and Physical Education department. This past summer I have completed my twenty-second summer of coaching the Manufacturers' Golf and Country Club swimming team.

While I am happy that so many years of my past have been filled with coaching and mentoring the wonderful North Penn teams, I look forward to the future years of sitting in the stands, supporting and cheering on future generations of North Penn swimmers, many of them children of my former athletes!

1990, 1991, 1992 Boys Swimming and Diving Teams

The forty year history of North Penn Swimming and Diving is a series of peaks and valleys in District I, PIAA State and National Interscholastic Swimming and Diving. During the 1990, 1991 and 1992 seasons the swimmers, divers, managers and coaches associated with the program believed that great things were possible. As a team they believed in the traditions of the program, believed in themselves and supported each other during challenging times. They embraced the demands of training, managing and coaching with a unity of purpose and pride in what they stood for. It was the dedication and commitment of everyone involved that allowed North Penn Swimming and Diving to establish new peaks in the history of the program.

When the 1990 season started there was speculation about how well the team would do in the championship season. As the season unfolded it became clear that North Penn would be one of the teams in contention for the state title. The 1990 team went 13-0 in dual meet competition, won the Suburban I League and garnered 22 of the 33 available Suburban I All-League awards. In the District I Championships, North Penn scored 240 points and out-scored rival Council Rock by more 170 points. The District results from around the state indicated that the teams in contention for the state title would be Bethel Park, Parkland, Hempfield and North Penn. By the end of the first day of competition it was evident that North Penn's depth would prove to be too much for any challengers and North Penn's time had once again arrived. North Penn won the 1990 state meet by scoring 134 points, out distancing second place Parkland by 54 points. Following the 1990 season the National Interscholastic Swim Coaches Association ranked North Penn as the 8th best public high school in the nation. The National Interscholastic Swim Coaches Association also recognized the 200 Medley Relay, 400 Free Relay and Dan Dunigan in the 100 Freestyle as All-Americans.

* PIAA State Record

In the wake of the success of the 1990 season North Penn had become the team to beat. Despite the pressure of these expectations, the 1991 team moved through the season focused on hard training and took nothing for granted. Early in the season the team won the prestigious York Suburban Holiday Swim Tournament and the Wilson Relays by overwhelming margins. The team once again went unchallenged in the Suburban I dual meet season by posting a 12- 0 record and earning 28 of 36 available All-Suburban I League honors. The 1991 season brought with it the addition of the 200 Freestyle Relay as a dual meet and championship meet event. The addition of the third relay in the line up would become critical in both the District and State championship scoring since no other team except North Penn would be able to divide their pool of talent between three relays and score with all three relays. In the District I Championships North Penn scored 256 points to 2nd place West Chester Henderson's 111 points. The District I Championship title was unprecedented in that the team won 8 of the 11 events, won all three of the relays and set 5 District I records. The 1991 team entered the PIAA State Championship meet as seasoned veterans and would not accept mediocrity as part of winning. In the P.I.A.A. state meet North Penn scored 197 points and outscored York Suburban by 119 to establish a new scoring record for the state meet. North Penn became the first team to win all three relay events and in the process of winning the relays established state records in the 200 freestyle and the 400 freestyle relays. The 400 freestyle relay record remained unbroken for 19 years and was not eclipsed until 2009. In 1991, the National Interscholastic Swim Coaches Association ranked North Penn 5th nationally among public high schools. The 200 Medley, 200 Freestyle and 400 Freestyle Relays were recognized as All-Americans, as well as Derek Williams in the 200 Individual Medley and Scott Walker in 100 Freestyle.

* P.I.A.A. State Record

The nucleus of the 1990 and 1991 championship teams had been the freshman class of 1989. Over the course of the previous three years Kevin Faikish, Matt Krystopa, Chris Lee, John Raeburn, Jamie Tang and Derek Williams had each made championship scoring contributions and now as seniors in 1992 it was their time. The 1992 team lacked some of the depth of the 1991 team, but made up for it with talent and competitive maturity. Once again it would be North Penn's depth and diversity in event talent that would be a key factor in the team's success. In the Suburban I competition North Penn once again went undefeated and added 16 wins to a four year undefeated dual meet record. The team once again easily won the York Suburban Invitational and Wilson Relay meet. In the District I Championships North Penn won 6 of 11 events and set District records in four events. In the PIAA State Championships, Northhampton had an exceptional team; and although North Penn was the favorite on paper, they needed to swim well and not make any mistakes with disqualifications or false starts. After four years of success the team was undistracted by the hype of the "three-peat" and was all business in getting the points on the scoreboard. In the end North Penn outscored Northhampton by 44 points and set new state records in the 200 Medley and 200 Freestyle Relays. The National Interscholastic Swim Coaches Association ranked North Penn 3rd nationally among public high schools. The 200 Medley Relay and 200 Free Relay earned All-American status as well as Derek Williams in the 200 Individual Medley and 50 Freestyle.

* P.I.A.A. State Record

Nearly twenty years after the last of the three state championships, the legacy of the 1990, 1991 and 1992 teams is in the character of the individuals who defined themselves as North Penn Swimmers and Divers and made the accomplishments we are celebrating possible. What is not in the record books or inscribed on the championship trophies is the work ethic, dedication, leadership, determination and humility that these individuals demonstrated as competitors. Twenty years after the first state championship these athletes are remembered by a generation of Pennsylvania coaches as “nice kids” who understood the meaning of sportsmanship and were a pleasure to be around.

1990 Girls Swimming & Diving Team

It 1990 North Penn Girls Swimming and Diving team had a memorable season. Midway through the season head coach Selma Robinson and assistant coach Michaeline Botti had a team meeting with the girls discussing the reality of winning a PIAA state championship. The season was going very well with many outstanding dual meet performances. The team was working extremely hard while focusing on a common goal – individual time improvements which would result in a successful season for all. It was the belief of the team that hard work would pay off in the end while stating many times that “We are on a mission.”

Entering into the championship part of the season, the team posted a dual meet record of 11-0 to complete an undefeated season. The closest meet was against Council Rock where North Penn outdistanced the Indians by 46 points. It was evident that the North Penn girls were the most competitive team in the Suburban I League. The girls also won the very prestigious Wilson Relays in January by scoring 318 points and defeating three very strong teams from Wilson West Lawn, Cumberland Valley and Emmaus.

Although there was no score kept at the Suburban One National Swimming and Diving Championships held at Council Rock, the North Penn girls started to show hints of what was to come in the next several weeks. North Penn won the majority of the events with many girls finishing in the top six. Several championship records were also broken by the North Penn swimmers.

North Penn was the favorite to win the District One Swimming and Diving Championships that were held at the University of Pennsylvania in late February. The team did not disappoint their loyal fans. North Penn won the team title by amassing 185 ½ team points along with qualifying a number of swimmers to the state meet. The 200 yard Medley Relay team of Justine Gibbons, Julie Krail, Danielle Strader and Kristen Downey set a new district record along with Danielle Strader setting new District One records in both of her individual events the 50 yard freestyle and 100 yard butterfly.

Arriving on Penn State’s campus in early March to compete in the Pennsylvania State Swimming and Diving championships was an exciting time for the North Penn swimmers. The group of girls representing the team included seniors Kristen Downey, Justine Gibbons, and Carolyn Hahn. Cathie Brittin, Darienne Drissel, Danielle Strader and Tory Young were sophomores and two freshmen Julie Krail and Tracy Ostrowski rounded out the group. The team knew deep down that if they kept their focus on the season’s goal, personal time improvements, everything would fall into place.

The North Penn Maidens were on a mission. The first race of the competition was the 200 yard Medley Relay. The North Penn team that broke the record at Districts swam to a first place finish by smashing the state record by three seconds. The winning time of 1:46.93 registered as the fastest time in 1990 of all high school medley relay teams in the United States. Rick Carroll, North Penn swimming’s respected mentor, reminded us that “so goes the medley, so goes the meet.” The team was off to a great start. Danielle Strader went on to win the 50 yard freestyle in

state record time along with finishing first in the 100 yard butterfly. Julie Krail placed fifth in the 200 yard Individual Medley. After the first day of competition the young ladies from North Penn were leading the team competition by scoring a whopping 77 points. To put that first day's team total in to perspective, Dover High School finished as state runner up by scoring a team total of 78 points after two days of competition.

The second day of state competition was just as exciting. Senior Justine Gibbons posted a personal best time and earned the silver medal in the 100 yard backstroke. Not to be out done, freshman Julie Krail was crowned state champion in the 100 yard breaststroke while breaking the state record. The 400 yard freestyle relay team of Tory Young, Darienne Drissel, Carolyn Hahn and Kristen Downey placed sixth to finish off an amazing weekend of competition. After a long season of hard work and positive mental attitudes the 1990 North Penn Swimming and Diving team was crowned PIAA State Champions by scoring 124 points.

If winning the state championship wasn't enough, later in the summer, *Swimming World Magazine* recognized this amazing team of athletes by naming them the 1990 National Public High School Swimming and Diving Champions.

Lansdale High School

Oh Lansdale High, we'll sing to thee,
To Thee our cheers will rise,
We'll strive for thee with loyalty,
We'll honor Lansdale High!

When high school days have passed away,
And we fore'er must part,
That fervent love for thee holds sway
Within each student's heart.

Then let us gather once again,
Before we say good-bye,
To sing once more that sweet refrain:
We'll honor Lansdale High!

Chorus

We'll love thee, Lansdale High,
We'll praise thee, Lansdale High,
We'll think of thee, wher'er we be.
We'll honor Lansdale High

Hatfield High School

(Tune: MacNamara's Band)

Oh, we pledge our loyalty and love for
Alma Mater dear;
Each faithful heart shall play its part
With fellowship and cheer.
Maintain the right, uphold the light,
Apply the Golden Rule.
Amid the strife and stress of life,
We sing for Hatfield School.
Go forth each lad and lassie
When you hear the duty call.
In age or youth proclaim the truth,
And you shall never fall.
Then forth we'll go proudly to show
That we have never lacked
The sportsmanship and courage
That stand for the "Orange and Black."

RICHARD OTT AND FAMILY

North Wales High School

Dear North Wales High....
We sing your praise and glory....
Dear North Wales High....
Our Alma Mater true....
With you we'll stand forever true and loyal....
We're with you in defeat or victory....
We'll sing a praise of love and honor for you....
And may our lives be credit to your name.

North Penn High School

As knights who in the olden times
Would pledge their loyalty
To keep their honor shining
and ever true to be.

We entered here at North Penn High
With hearts resolved to dare.
Our noblest aim to bring to fame
our Alma Mater fair.

While yet we linger in the halls
And on the campus too,
We'll keep our colors living,
The navy and the blue.
Thru all our years at North Penn High
We'll fervently declare
To love profound that circles' round
Our Alma Mater fair.

When we have left familiar ways,
With friends have had to part;
And school days are a mem'ry
Deep in each separate heart;
Then we shall think of North Penn High
How once we gathered here,
How often praised with voices raised
Our Alma Mater fair.
